IBONTON - LUXURY AT YOUR FINGERTIPS

iBonton is the perfect nexus point, seamlessly pairing aspirational individuals with the luxury lifestyle brands that match their profile and meet their needs.

Acting as a digital concierge, iBonton allows the user to refine and store their unique online fingerprint, identifying their desires, preferences, location and spending horizon.

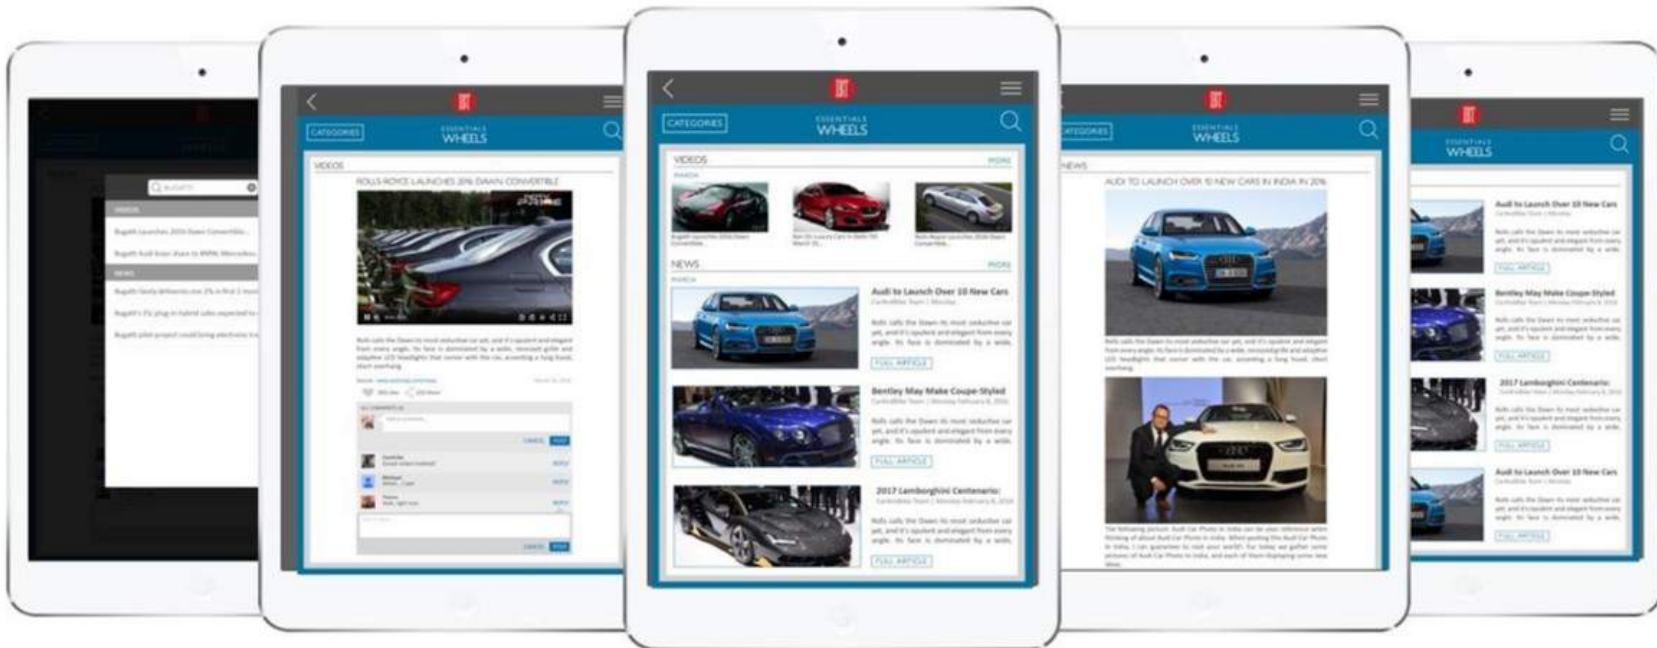

Put simply, it pairs your wants and needs with compatible and appropriate brand offers.

ESSENTIAL

Essential is the bespoke iBonton news desk. This provides users with real-time information from the world's most luxurious brands, exotic travel destination, high-tech gadgetry, fine wines, haute couture and the finest dining experiences.

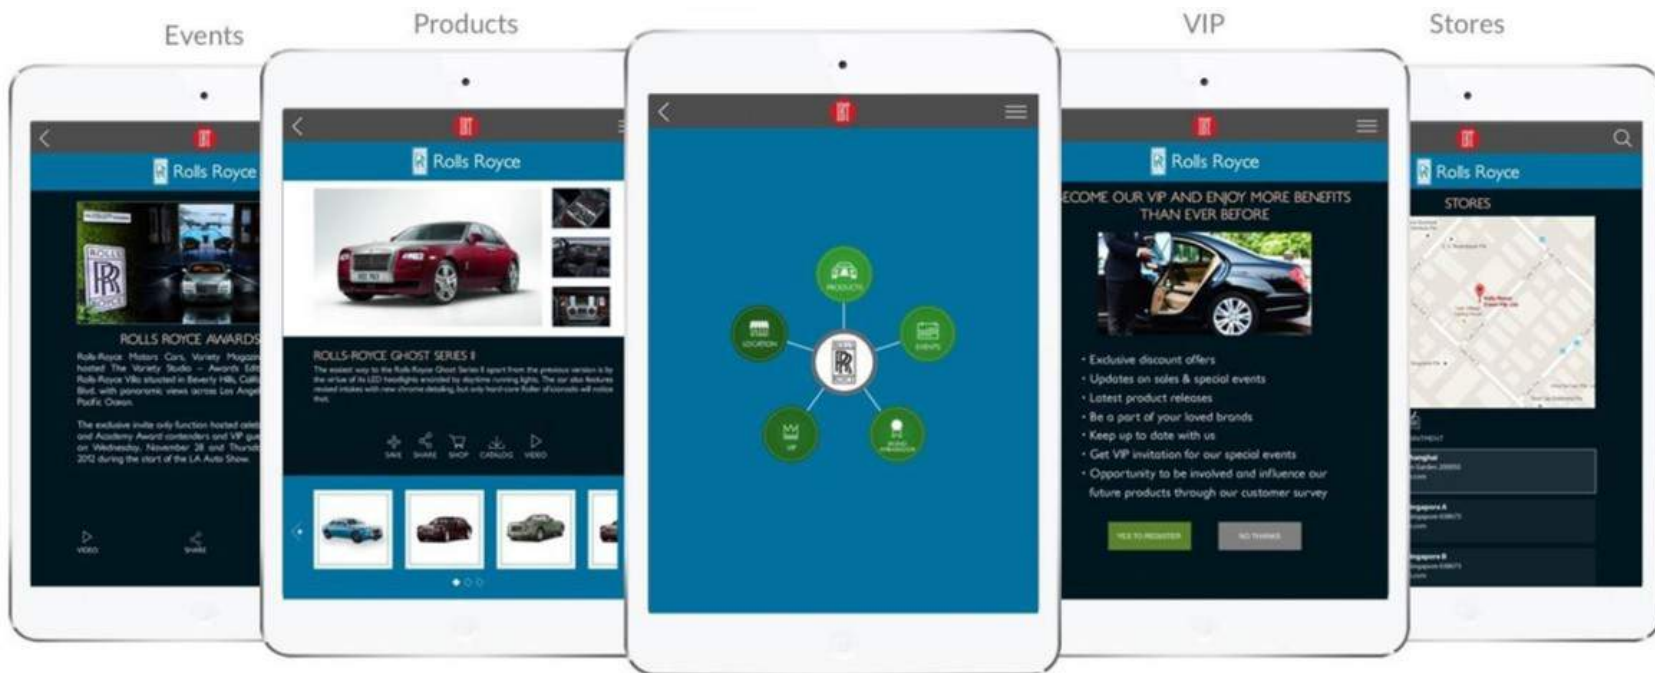

Comprehensive and instant, the interactive Essential platform keeps high net worth individuals continuously informed, while providing brand owners with the ultimate discrete channel for tailored promotions and exclusive offers.

DISCOVER

Almost an app within an app, Discover is both a discrete directory and a bespoke booking agent. It can be used to access required product information, highlight outlet locations, provide details of imminent product launches / promotions or to secure appointment to buy, peruse or just be pampered.

Discover makes your next luxury liaison just a tap away.
